Nan Lian Garden Tour hosted by  **mehk** Meetings & Exhibitions Hong Kong

*Nan Lian Garden is situated at Diamond Hill of Kowloon, taking in the full view of southeast Kowloon. The Garden, with an area of 35,000 square metres, is built in the classical style of the Tang Dynasty (618 AD to 907 AD). Its architecture and landscaping reminiscent of nature and conducive towards a sense of serenity and tranquility, an ambience in which visitors may enjoy a moment of leisure and peace of mind, whilst reflecting on the profound richness of classical Chinese culture, right in the midst of the urban city hustle and bustle.*
